

Premier Plus

SOFT | PILLOW TOP 16.5"

THE BUILD

1. Tencel Cover that provides natural cooling and heat dissipation
2. Gel Infused Foam Layer to Conform to your body and help you sleep cool + Soft Pillow Top Foam for Cloud Like comfort
3. Ultra-firm, high-density quilt foam layer is designed to provide long-lasting support for your body throughout the life of the sleep system.
4. Cooling Silk and Wool Layer provides natural insulation, moisture-wicking properties, and softness, enhancing its comfort.
5. Tiny, individually wrapped coils offer targeted support and pressure relief for your body, contouring to your shape more precisely than larger coils and resulting in less motion transfer and increased airflow for temperature regulation.
6. Gel memory foam cradles your body, helps you sleep cool, relieves pressure points, and reduces tossing and turning.
7. Ultra-firm, high-density upholstery foam layer is designed to provide long-lasting support for your body throughout the life of the sleep system.
8. Eight-inch zoned fabric-encased coil system has a high coil density and strong foam border, providing personalized support and allowing you to sleep comfortably at the edge of your mattress.
9. Ultra-firm, high-density base layer is designed to provide long-lasting support for the life of the sleep system.
