Overview

Made with local and sustainably harvested solid Appalachian hardwood. Kiln dried lumber is hand selected for grain and color characteristics. Built-to-order by a craftsman who signs and dates the piece. Board-by-board finish process highlights the beauty of the wood. Catalyzed lacquer top coat forms a clear, efficient, highly-protective barrier with a close-to-the-wood feel.

- Handmade in choice of Ash, Cherry, Maple, Walnut & Paint
- Select from 64 wood and finish combinations
- Finished back allows piece to 'float' in a room.
- Uniquely shaped corner desk bridges the space between two walls while providing a generously sized work area.
- Optional gallery shelf is attached to desk top accommodating monitor(s), wire management, and slide-away storage.
- 24" flush desk top edge on either side enables "bunching" with other Oxford pieces to add a continuous work surface and nearby storage.

- Adjustable sit-to-stand desk mechanism is composed of an imported smooth black steel base with aluminum feet, 2 motors, and a 6 button programmable controller.
- Desk top height range from 25.8" - 45.5" enables use with traditional desk chair, counter height or bar height chair/stool, and as a standing desk.
