Status: New
Materials: Acacia Wood, Acacia Veneer, MDF, Pine Wood and Antimony Metal Hardware
Shape: Rectangular
Product: The color is a walnut brown
Features: Exceptionally built using Acacia Wood, Acacia Veneer, MDF and Pine Wood
Construction Details: Designed with durability and style in mind, featuring a solid Acacia wood frame complemented by Acacia veneer top

and side panels over engineered wood, which adds structural integrity while maintaining a natural look. The drawers, made of solid pine with Acacia wood fronts, are crafted with tongue and groove joinery for stability. Equipped with undermount drawer glides and soft-close functionality, each drawer extends by 0.75 inches for easy access and a smooth, quiet operation. The kiln-dried wood construction minimizes warping, and a scratch and stain-resistant lacquer preserves its finish, making it ideal for both residential and commercial spaces. Removable antimony hardware adds a classic touch, while plastic floor protectors guard against scuffs, ensuring the piece remains functional and attractive over time.
