

# nectar PREMIER COPPER HYBRID

## 1 Quilted Cooling Cover With Copper Fibers & Microban Antimicrobial Protection

Catch your coolest ZZZs on a dual-action cooling cover with heat-conductive copper fibers, plus an antimicrobial finish for your freshest rest.

## 2 Plush Memory Foam

Two inches of contouring memory foam cushions pressure points, and conforms to your unique shape to give support where you need it.

## 3 ActiveLift HD Layer

Two inches of innovative, ultra-supportive foam promote better spinal alignment.

## 4 Dynamic Transition Layer

One inch of premium foam adds support, plus crucial bounce and rebound to transition from foam to springs.

## 5 Edge-Support Innerspring Coil Layer

Eight inches of individually wrapped coils provide breathable edge-to-edge support.

## 6 Stability Base Layer

A final inch of sturdy foam ensures support and stability, so the top layers perform their best.

## 7 Shift-Resistant Lower Cover With Handles

No sagging or slip and slide here. Your mattress stays put, even if you jump on it.

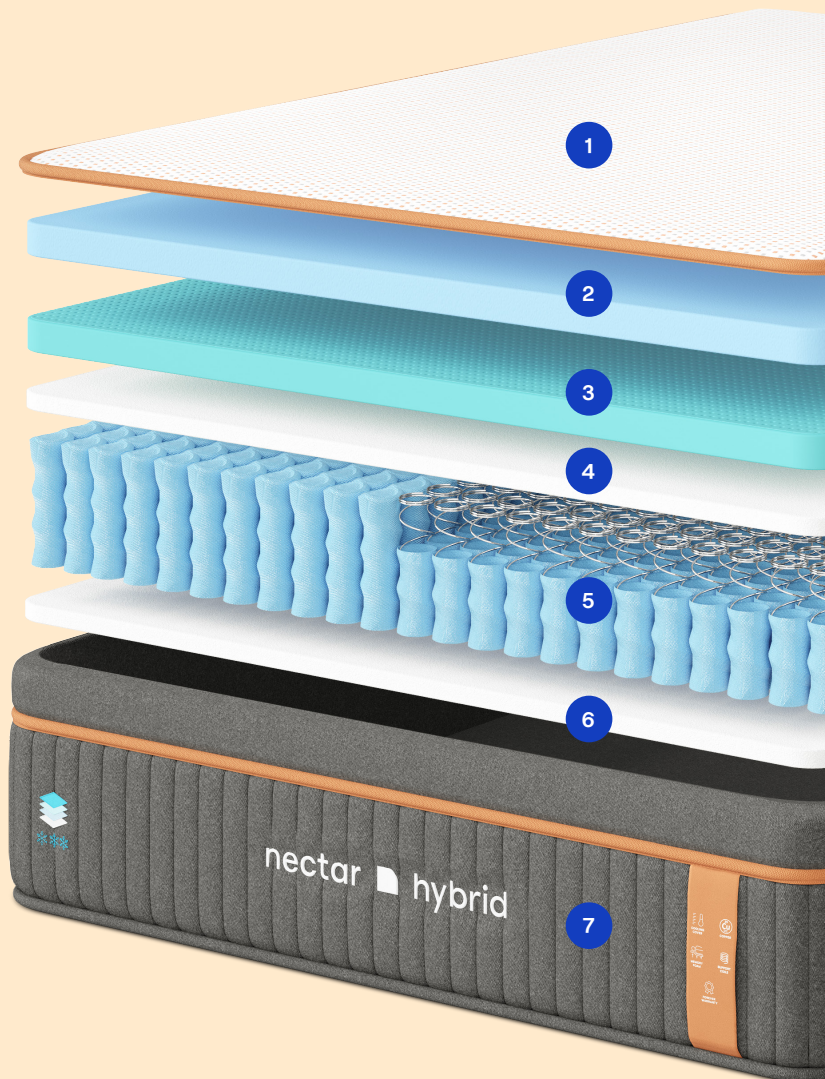

### CertiPUR-US® Certified

Our foams meet CertiPUR-US® standards for content, emissions, and durability, and are analyzed by independent accredited testing laboratories. All of our foams are free of ozone depleters, PBDEs, TDCPP or TCEP flame retardants, mercury, lead, heavy metals and formaldehyde.
