54" ROUND QUAD TABLE, MOCHA

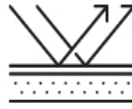

The Kafe Casual Dining collection is all about options to fit your breakfast nook or other casual dining space. A large portion of homes will find that a round shape and standard dining height make the most sense. Offered in both 44 and 54 inch sizes, our Classic Round Quad dining table is shown here in the warm Mocha finish and measures 54 inches. If your dining area calls for something a little different, this table is also available in a 44 inch size and both sizes can be ordered in either the Latte or Mocha finish. This solid wood dining table features solid Alder which is an ideal wood for tables and cabinetry. The top also features our KinGuard performance top coat. This protective finish helps to protect the finish from common food spills by allowing added time to get things cleaned up.
