

411Cognac
Burke Cognac Accent Chair
24.5" W x 29.5" D x 31.5" H • 19.97 CUFT • 49 lb.

Keep it casual with this Burke vegan leather accent chair. This eye-grabbing chair has an uber laid-back vibe with its armless design and slightly reclined back. Soft cognac vegan leather feels great against the skin and provides the look of leather without the expense. An overstuffed, channel-tufted seat and back cushion make it super comfy and ready for evenings spent relaxing and taking it easy. An all-metal frame provides support for durable use, and a white oak veneer metal dowel provides interesting contrast to draw the eye instantly from all angles.
