LUXURY OF SERENITY COLLECTION

The LUXURY OF SERENITY Collection is a first in a series of lifestyle groups planned and represents a whole home lifestyle statement.

“LUXURY OF SERENITY explores the concept of a personal retreat with an ambience of warmth and relaxation,” says Leung, adding “we have created a moment of tranquility, an indulgent personal space to relax, rejuvenate and enjoy life with family and friends. Throughout the collection inviting, gently-curved surfaces embody this moment with cossetting armchairs and expressive backrests to evoke the feeling of protection and sanctuary.”

LUXURY OF SERENITY has sumptuous and comfortable forms, elegant silhouettes and a restrained color palette. Materials encompass soft velvet, quilted leather, Italian marble, brushed finishes on nautical-grade stainless steel and hand-stitched detailing.

Signature pieces include the Covet Sofa, described by Leung as, beautifully upholstered in soft diamond stitched velvet fabric, subtly contrasting against a leather body. The Covet Sofa is complemented by the distinctive Allure Coffee Table featuring a “supple ribbed fabric and beveled marble top.” Additionally, the Pirouette Dining Table is a study in movement, with a substantial marble top perched on top of a tapering leather wrapped body decorated with spiraling diamond stitching.

LOOP OF CHARMS COLLECTION

SLD proudly presents the 2020 new furniture collection “Loop of Charms” with Theodore Alexander, following the success of the first collaboration “Luxury of Serenity”.

“Loop of Charms” draws inspiration from an element of everyday life– the circular frame through which we experience moments. It takes different forms in daily life - the invisible passing of time, a camera lens that captures occasions and emotions, windows that frame inspiring views – it is about continuous, significant moments in life. The designer has interpreted these moments through an interplay of circular forms and the open void, setting them in a contemporary, elegant language.

“We are capturing a paused instant within continuation for people to observe and ponder the neglected beauty of life”, the designer explained. “Loop is a ubiquitous detail; taking cue from that, we designed a versatile collection that blends effortlessly with different interiors. The colour palette is subtle - a range of dusky and earthy colours are used, fabricating a sophisticated, timeless aura.” A soft curve is a recurring feature in the collection, these gentle edges exude a sense of harmony yet understated indulgence that merge into the surroundings. Materials encompass fine leather, hand-finished brass, African mahogany, brushed finishes on aluminium and textured woven fabric. The loop-inspired curve, combined with minimal design highlights the unparalleled craftsmanship and exquisite finishing.

Signature pieces include the Loop Sofa, a sophisticated three-seater encapsulated in sepia, glossy leather. The Loop Sofa’s back and arms create one continual circular loop, embracing the sitters with an undisturbed flow of warmth and comfort. The end of the handle is decorated with the signature loop-inspired form in bronze metal trim and fine legs for a contemporary touch.

The Fulcrum Dining Table is a playful relationship of physics and aesthetics. The tinted round glass top is encircled by brushed brass and sits gracefully on an exceptional round base where panels of leather are arranged in rhythm.

The Campanello Pendant Lights amplify the grace of the dining room by dint of their trumpet-shaped light shades, hanging over the dining table with light aluminium enclosed in russet leather.

The Debonair Mirror is another notable piece of the collection. Eleganza is a funky compilation of brass-framed mirrors in marble tinted glass, an adroit decorative piece that adds character to the space.

GENERAL

Items included in this Catalog may not be represented in the Theodore Alexander showroom. Each of the unique items featured in this Catalog are the subject of copyright protection in the United States and throughout the world.

Some items in this Catalog may not be available in certain Region or Country.

APPEARANCE

All Theodore Alexander products are manufactured to the highest standards and with the utmost care and attention to detail. Whilst we make every effort to accurately reproduce the colours of the furniture illustrated, differences in texture, grain and colour are inherent in all natural woodwork and should be expected as the individual characteristics of materials used. Variations in these qualities are not manufacturing defects and will not be accepted as such for the purpose of claims. Some changes in colour or texture may occur during the life cycle of the product, particularly in leather, wood and veneer.

All exposed surfaces of Theodore Alexander furniture are prepared, sanded and finished, even though at times they are not visible. This includes the undersides, the back and the inside of the drawer boxes amongst others.

While our fabrics and leather are sourced from the finest upholstery manufacturers, we are unable to provide a guarantee on fabrics or leather, including COM. Theodore Alexander can take no responsibility for wearability of fabric and leather or alternations to the fabrics and leather after it has shipped. We recommend the use of a professional upholstery dry cleaner in case of soiling or wear.

Items are photographed in studio conditions and the appearance of the actual items may vary from that shown

DIMENSION, SPECIFICATIONS AND STYLE

All dimensions listed are approximate given the hand crafted nature of our product and the variation in fabrics used. There may be a difference of up to 2" from listed dimensions.

When giving overall dimensions we may use some rounding.

Product specifications are not binding and we reserve the right to make changes without notice. Please refer to your shipment for final sizes and specifications.

Where descriptions refer to particular historical styles, this does not indicate the product stems from this period in any aspect other than in design inspiration.

INTELLECTUAL PROPERTY

We are proud of the unique designs created by our skilled designers and craftsmen. To protect your investments, infringements of any proprietary (trademarked, patented, copy righted or otherwise protected) design or right will be pursued to the full extent of the law. We will take legal action against any person and / or company that knowingly or unknowingly infringes upon our intellectual property rights.
