

The vertical chest is important for its capacity in a relatively small amount of floor space. But it can also serve to add needed vertical interest in the bedroom. The Aiden is a 56 inch tall, solid wood chest with full depth drawers to make the most of the space. It also features removeable dividers in the second and third drawers from the top for added organization and flexibility.

- Seven drawers with dividers in second and third drawer
- Adjustable levelers
- Alder

Solid Wood - Made using genuine solid wood construction
