NOTES

- A clean, transitional design
- Padded, soft sloped track arms
- Choose from six modular components to build a sectional that fits your space
- The straight console contains two cupholders for drinks
- Adjust the recline and headrest positions with the touch of a button
- Charge electronic devices with the single USB-A port located in the power button
- Sustainably sourced wood frame delivers exceptional durability
- Contoured, high-density foam seat cushions provide lasting, everyday comfort and support
- Upholstered in your choice of more than 250 select fabrics, including those with performance and sustainability characteristics
- Handcrafted in North America
- Power allows you to smoothly recline to any position.
- A single USB port is included on each power button control on styles with arms.

**Interlocking Brackets**  
Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
