Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment. To prevent possible scratches or damage, this product should be assembled on a soft surface such as a blanket or carpet, or its own packaging material.

#### ASSEMBLY STEPS:

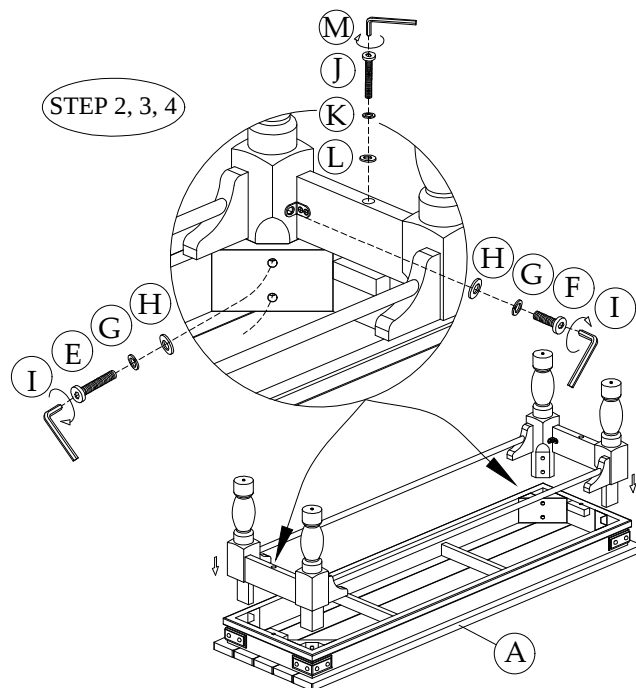

For ease of assembly, it is suggested that two people are used to assemble this bench.

1. Insert the Metal Stretchers (D) into the holes on the leg blocks of the Posts (B), Insert the End Aprons (C) into the holes on the Posts.
2. Using two people, lift the assembled parts and lower into the corners of the Bench Top (A).
3. Attach the Posts to the Top using the Allen Head Bolts (E), Spring Washers (G) and Flat Washers (H) . Tighten with the Allen Wrench (I).
4. Attach the End Aprons to the Posts using 3/4" long Allen Head Bolts (F) and the same Washers as before. Attach to the Table Top using the 3" long Allen Head Bolts (J), Spring Washer (K) and Flat Washers (L) . Pull all parts snug together and tighten with the Allen Wrenches (I & M).
5. Set the assembled bench upright.

STEP 1

STEP 2, 3, 4

#### WARNING

This BENCH is designed and intended for seating only. To prevent against potential injuries and structural failures, this bench should NEVER be used for other than its intended purpose.
