

## Laverne Sideboard

Brushed Gunmetal • CIMP-288

### Overview

A clean mid-century form, modernized by mixed materials. Black oak casing is whitewashed for a ceruse-like look, with vertical reeding for rich texture. A smooth bluestone top adds a sophisticated element of surprise, while oversize iron hardware hints fresh edge. Posterior cutouts for cord management. White mineral lines and subtle color, texture and pattern variations are to be expected and speak to each stone's individual nature.
