

GE Profile™ 30" Smart Built-In Convection Single Wall Oven

Model# PTS9000BNTS

- **Fit Guarantee** - Replacing a similar wall oven from GE Appliances or another brand? GE wall ovens are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. See offer criteria and details
- **In-oven camera** - Check the progress of your food without opening the oven door, by simply syncing your oven with your smartphone and streaming live photos
- **Precision cooking modes** - Skip the oven hover, even when cooking the most intricate dishes, thanks to advanced technology that provides step-by-step instructions and automatic adjustments to oven temperatures and cook times for perfect results
- **Brilliant touch 7" display** - A bright, interactive touch screen makes it fun and easy to program the oven
- **True European Convection with Direct Air** - Optimize your results on roasts, chicken, turkey and other special-occasion favorites, with the only cooking system that delivers true top-down convection
- **No preheat options** - Save time with a variety of precision cooking modes that eliminate the need for preheating
- **Hot air frying** - Achieve crispy, never greasy, fried food results in your oven without the oil
- **Anywhere control with remote notifications** - Save time by conveniently preheating and monitoring your oven from anywhere using the GE Appliances Kitchen app
- **Soft-close door** - Rest assured your oven door will always close softly, thanks to a special hinge that quietly eases it shut
