

# La Moda Display Unit Pier

Caracole

With a towering profile and streamlined design, this Euro-modern bookcase lends a striking foundation. Architectural in form and its refined use of materials, its metal frame is warmly complemented by the warmth of wood veneers. Two stationary glass shelves lend an airy, open space for displaying books and collectables, while wood doors conceal additional closed storage at the base. Perfect for home offices and living interiors, its pairs with our customizable La Moda Base and Bridge display units.
