Nube Barstool

Shown here: Nube stool in Black and Twist Earl Grey.

Dimensions

Features

The Flex Collection provides superior comfort with an innovative construction that consists of a latex coated elastomer membrane mounted on a tubular

FLEX COLLECTION

steel frame.

This membrane adapts instantly to any body shape. The amazing flexibility of the Flex Collection allows a perfect distribution of the body weight on the chair's seat and back, which reduces pressure and induces better blood circulation.

2 available heights: Counter & bar height.

Stationary barstool.

Frame:

Fully welded frame.

Available in a variety of powder coated finishes.

Available in Brushed Steel.

Upholstery:

Available in all Trica fabrics and leathers.

High resilience foam.

Removable cover.

A perfect match
