

HOLBORN

LOVESEAT | SM1220-LV

DETAILS:

This beautiful loveseat features clean lines with classic silhouettes to fit a wide variety of styles. Pillow backs and plush cushions provide a plush seating experience, all made from luxurious chenille upholstery. Trimmed in matching welt, the wide track arms are low in profile, perfect for your hands or head. It comes with accent pillows designed specifically to match the neutral palette of the base color--hues of gray catch the attention of guests and family alike.
