## PRODUCT DESCRIPTION

Turn your backyard space into your own piece of paradise with this outdoor dining set. Though the fire pit table looks remarkably like wood, it's made of sturdy, rust-proof aluminum that's perfectly suited for alfresco living. Enhancing the rustically refined aesthetic: side panels accented with all-weather, handwoven resin wicker. With the press of a button, ignite a flickering flame that dances over a bed of glass beads. The matching bar stools are pretty enough for trendy interiors, yet durable enough to weather the elements.
