

FLEXSTEEL

Spectrum

LAMP TABLE | W1455-02

26"W x 22.5"D x 24"H

Modern design with geometric style and shape.

Spectrum's geometric shape provides eye-catching depth and appeal. Its mixed media of the dark metal base and the light finish of the top surface bring out its full shape and illuminates its modern composition. Spectrum is sure to stand out in any room.

Product Details

- Solid acacia top surface in a warm distressed finish
- Metal base in a cast iron finish
