Mayne Accent Chair Cream

Tradition, with better taste. Mayne brings heritage design into the present. Its solid sungkai wood frame shows off rich grain and classic spindle-back detailing, but the silhouette keeps things easy, not antique. Cream cushions soften the seat, while the airy profile lets the craftsmanship shine. It's a foundational piece with roots and a refresh.

- Sungkai, Naturally: Crafted from solid Sungkai wood, native to Indonesia and known for its rich graining and heritage feel.
- Tonal Contrast: Accented with tonal contrast piping and fully upholstered legs for a refined, thoughtful design.
- Comfort in Off-White: Upholstered in a cream, off-white fabric, the foam and fiber fill ensures lasting support and comfort.
