NOTES

Safety locks prevent furniture from gliding while reclining.

Removable backs allow for easy lifting and maneuvering through doorways.

Non-gliding styles feature lay-flat mechanisms that will accommodate occupants weighing up to 300 pounds.

Center console features two cup holders and a storage compartment.

Lay-flat mechanism accommodates occupants weighing up to 300 pounds.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.
