

Oxford Corner Desk

SKU OxfordCornerDesk

We all need more desk top space. Oxford maximizes the space designated for home office and minimizes the intrusion of work in your home. Many Oxford component pieces fit alongside one another. All look beautiful and smart as standalone pieces.

Overview

Made with local and sustainably harvested solid Appalachian hardwood. Kiln dried lumber is hand selected for grain and color characteristics. Built-to-order by a craftsman who signs and dates the piece. Board-by-board finish process highlights the beauty of the wood. Catalyzed lacquer top coat forms a clear, efficient, highly-protective barrier with a close-to-the-wood feel.

- Handmade in choice of Ash, Cherry, Maple, Walnut & Paint
- Select from 64 wood and finish combinations
- Uniquely shaped corner desk bridges the space between two walls and provides a generously sized work area.
- Optional gallery shelf is attached to desk top accommodating monitor(s), wire management, and slide-away storage.
- Finished back allows piece to 'float' in a room.

- 24" flush desk top edge on either side enables "bunching" with other Oxford pieces to create a continuous work surface.
- The drop down keyboard drawer front pivots smoothly on flush mounted hinge hardware and clips to a snug close with inside mounted hardware.
- Side mount full extension metal ball bearing drawer glides have a positive feel.
- Our strong, stable drawer boxes are made from solid ash wood and a solid ash three-ply bottom for a rattle-free fit.
