## ADDITIONAL TOOLS (Not Provided)

Note: It is not recommended to use power tools during assembly.

Phillips Head Screwdriver

Note: Wood dowels are intended for alignment. Additional clearance between wood dowel and pre-drilled hole is intentional for ease of assembly.

Please do not use tools to assemble this unit unless specifically indicated.

Reference the images above any time the instructions state "lock the hardware"  
Note: Be sure to check all hardware is locked when completed.

Step 1. Attach bracket (part H) to top panel (part A) using short bolts (part #3) and allen wrench (part #11).

- |     |  |     |
|-----|--|-----|
| #3  |  | x 8 |
| #11 |  | x 1 |

Step 2. Attach cover (part I2) to back panel (part D2) using binding post (part #10) and small allen wrench (part #12).

|     |                                                                                       |     |
|-----|---------------------------------------------------------------------------------------|-----|
| #10 |    | x 1 |
| #12 |  | x 1 |

Step 3. Attach fixed shelf (part E2) and back bottom rail (part G) to right panel (part C) using wood dowels (part #6) and lock the hardware.

|    |                                                                                       |     |
|----|---------------------------------------------------------------------------------------|-----|
| #6 |  | x 3 |
|----|---------------------------------------------------------------------------------------|-----|

Step 4. Attach left panel (part B) to assembled unit (parts E2& G) using wood dowels (part #6) and lock the hardware.

#6  x 3

Step 5. Attach top panel (part A) to assembled unit (parts B & C) using wood dowels (part #6) long bolts (part #2), spring washers (part #4), flat washers (part #5) and allen wrench (part #11).

#2  x 4  
 #4  x 4  
 #5  x 4  
 #6  x 4  
 #11  x 1

Step 6. Attach back panel (part D2) to assembled unit (parts A, B, C, E2 & G) using round head screws (part #9) and phillips head screwdriver.

#9  x 24

Step 7. Carefully turn unit upright. Place shelf holders (part #1) into desired position and slide adjustable shelf (part F2) into place.

Important: Safety strap kit (part #13) must be installed to prevent tipping, damage and/or injury.

#1  x 4

Step 8. Place hutch on base.

Step 9. Attach connecting bars (part #7) to top panel (part A) and back panel (part D2) using screws (part #8) and phillips head screwdriver.

Important: Safety strap kit (part #13) must be installed to prevent tipping, damage and/or injury.

|    |  |     |
|----|--|-----|
| #7 |  | x 2 |
| #8 |  | x 8 |

| #13                                                                             | A                                                                                 | B                                                                                 | C                                                                                 | D                                                                                   | E                                                                                   |

## SAFETY WALL STRAP INSTALLATION

Note: It is highly recommended to install this safety strap kit to prevent tipping, damage and/or injury.

1. Insert short screw (C) and safety wall strap (E) through bracket (B) and attach to top panel (part A) using phillips head screwdriver.
2. Drill a 11/32" hole where you want to secure the unit. The drilled hole will be at the same height as the hole in top panel (part A) where bracket (B) is attached. Tap wall anchor (A) into the hole.
3. Insert long screw (D) and safety wall strap (E) through bracket (B) into wall anchor (A) using phillips head screwdriver.

Note: This item is not intended for clothing storage use.

| ⚠ WARNING                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
