**Product Description:** Style, storage, and sophistication combine into a single noteworthy design in this handsome bookcase bed. Five headboard cubbies - two large, three smaller - act as a display space, storage space, or bookshelves to keep the bedroom tidy. Built to stand up to the demands of everyday use, this compelling bed will stay looking noteworthy for years without cracking, fading, or scuffing. Simply add a box spring and mattress (both required, neither included) along with favorite linens for a comfortable, kid-friendly sleeping sanctuary. Pair with the matching trundle accessory, sold separately, for convenient under-bed storage.

**Collection Features:** From the soothing light birch brown tones to the attractive transitional design combined with the high performance laminate surface, River Creek provides a kid-friendly, safe, durable and stylish bedroom.

**Status:** Active

**Finish:** Light birch finish

**Features:** Includes headboard, footboard and rails

**Material:** Performance Laminate

**Finish Construction:** River Creek has the look and feel of wood, executed in a durable resin laminate. High performance laminate surfaces resist cracking up to 158 F, staining, scratching, abrasion, burns, moisture, impact, and fading.

**Frame Construction:** Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Cleaning Information:** L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
