Calvin Cognac Counter Stool
16.18" W x 16.7" D x 32" H • 6.56 CUFT • 25 lb.

Discover the look of simplicity with this beautiful Calvin vegan leather counter stool. An epitome of refined elegance and simplistic design, this stool is perfect for both the home bar and the kitchen counter. A cognac vegan leather seat looks so much like leather that only you will know its not. The mid-century modern stool features a handsome wooden base with cross bars that double as foot rests, so guests and family can "stay till closing time" in comfort.
