

HENRICH COFFEE TABLE

YC-1026-24

An entirely practical mid-century modern design with clean lines, tapered legs, and a gently rounded, smooth silhouette. This solid oak, lightly finished coffee table features gated paneling that details its spacious storage areas. A beautiful nod to 1950s décor, this versatile style works from room to room, centerfold as a coffee table or under the window with plants and sunlight.

- Solid walnut with walnut veneer
- Sturdy steel legs
- Natural grain, knots or fissures in the wood vary as unique features
- Some assembly required
