The perfect combination of natural and industrial materials, the Hightider Chandelier has a recycled glass shade and wrought iron hardware in a French black finish. The abaca rope that is wrapped around the ring of the nautical pendant brings it a hint of texture. Clarence Mallari's original inspiration came from the small bells used by people selling ice cream in the Philippines. We also offer the Hightider as a wall sconce, a pendant, a multi-pendant, and a rectangular chandelier.
