

FOUR HANDS

Cambros Cabinet

Dark Bark Paper • 253160-001

Overview

A material-driven storage style that's truly unique. Brown oak is encompassed by a case clad in tonal bark paper then smoothed with soft bullnose edges and rounded corners. An artisanal material made from tropical fig trees, bark paper is a celebration of texture and natural imperfections that only enriches a design. Spacious interior offers plenty of storage, with cord management.
