Blue Zag Large Vase

1200-0866

In Stock

Overall: 12"h x 12"dia.

Finish: Blue / White

Materials: Porcelain

Item Weight: 9 lbs.

The Blue Zag Large Vase is made of hand-thrown porcelain that has been hand-glazed and decorated individually. The blue and white vessel is also glazed on the inside. The telescoping pattern on the surface, which was inspired by the art of

Imperial Japan, is slightly raised to create an added element of artisanal craftsmanship to each piece, which will vary slightly from being handmade.
