## Florals on Black Framed Prints, S/4

SKU: 32426

Accentuate your space with this assortment of traditional botanical prints. Each individual piece features a white flower with a hint of either dusty blue, lilac and rose pink, elegantly complemented by a rich, moody green leaf and stem. Petite, dark brown frames with a heavy mocha wash paired with gold plated inner lips. Each print is placed under a protective glass. Artwork by Danhui Nai.
