

GE® ENERGY STAR® 4.9 DOE cu. ft. capacity RightHeight™
Design Front Load washer with steam

Model# GFW490RPKDG

- RightHeight® Design with Built-in Pedestal - Comfortably load and unload clothes, and use the top as a folding or drying surface, with this factory-installed pedestal
- Time Saver - When you need to get a full load of clothes clean in only 37 minutes
- Steam Assist - Penetrates deep into fabric fibers, loosening stains like tomato and grass, yet protects your fabrics
- Stain Removal Guide - Clean the most common stains with preprogrammed settings that modify any cycle to help remove stains like blood, tomato, wine, dirt, grass or coffee
- Internal water heater - Increases wash temperature to reduce bacteria and provide better cleaning for the really tough stains
- Sanitize cycle - Feel comfort knowing clothes are sanitized* and 99.9% of bacteria has been removed thanks to an internal water heater that boosts the water temperature*Certified by NSF Protocol P172 Sanitation Performance of Residential Clothes Washers
- Precision Dispense - Great cleaning performance is enhanced with a dispenser that distributes fresh detergent multiple times throughout the wash
- Allergen cycle - Remove up to 99% of pet dander and dust mite allergens* with this cleaning cycle that reaches 131°F *Meets NSF Protocol P351
- Adaptive Vibration Control - Considers floor type and location of washer in the home to adapt and optimize spin patterns, reducing vibration and sound
