

# HONOLULU CHAIR

QX-1007-02

Functional for the indoors, but ideal for the outdoors. This slick, contemporary chair is patio perfection with its perforated back- so you can have that sweet summer breeze can roll on through. Practical and easy to clean with curved form and sloped armrests, this design is highly versatile to an array of outdoor and balcony layouts.

- Curved silhouette with an openwork back and slim steel legs
- High-quality molded polypropylene seat
- Approved for outdoor use, store out of direct sunlight to preserve color
- Some assembly required
