Ridge Leather Arm Chair

L291A

Vanguard, Ridge Collections

SHOWN: L291A. Fabric: Nada Natural. Finish: Truffle. (Fabric Image Shown, Product Will Be in Leather of Choice)

Reflecting the unique visual splendor found only in nature, Ridge captures the organic beauty of the great outdoors and brings it inside. Distinguished by simplified forms and silhouettes, this whole home collection is evocative of the sweeping vistas that have inspired landscape artists for centuries. Ridge has a bold linear attitude balanced with softly angled elements and tapered detailing. While functional at heart, each piece is thoughtfully designed to visually enhance the appeal of its surroundings. Wire-brushed oak adds refined character that is brought to life in organic finish options. Custom hardware designs feel substantial in the hand and feature a hammered look suggestive of flowing water. At its essence, a space furnished with the authentic character of Ridge delivers an experience that feels refreshing yet balanced, energizing yet harmonious.
