NOTES

A modern off-the-floor style for a stationary look with motion function

Thin, padded slope arms sit on a dark brown square tapered leg

A hidden, extended footrest folds out to provide additional leg support when fully reclined

Customize your comfort with a power control that adjusts the recline and headrest

The power control is located inside the arm for a clean, finished look on the outside

The power control includes USB-A and USB-C ports for convenient charging

Available in two leather choices that are durable for everyday use

Built to last with our patented Flexsteel DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

Removable back for easy moving throughout the home

The center console includes two cupholders and a storage compartment that contains two electrical outlets and two USB-A ports
