Industrial style.
Bosch quality.

With a commercial-inspired style, high-powered burners and Bosch quality, the new industrial-style rangetop is designed to perform.

Power and Performance

The four high-efficiency burners on the 30" rangetop and six on the 36" create optimal cooking capabilities. The powerful dual flame ring burner technology goes from a dual flame for faster boiling to one small flame for precise simmering.

Less Clean-Up Time

Dishwasher safe cast iron grates and a porcelain enameled cooking surface makes the clean-up process faster and easier.

Industrial-Style Design

The new gas rangetops merge quality performance features with a trending industrial style to offer consumers more options to fit their design preference.

New Industrial-Style Gas Rangetops

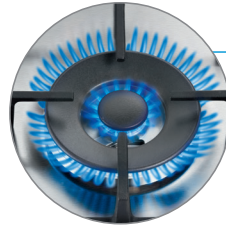

Key Features

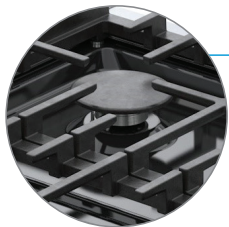

Dishwasher Safe Grates

With a special enameling process, the heavy-duty continuous surface grates can be easily and quickly cleaned in the dishwasher instead of by hand.

Dual Flame Ring Power Burner

Allows for better heat distribution and more uniform cooking. One burner takes you from a high power dual flame for boiling or searing to one small flame for precise simmering.

OptiSim® Burner

The OptiSim® burner cap is wider and thicker, offering more flame control at the lowest settings for precise simmering and melting.

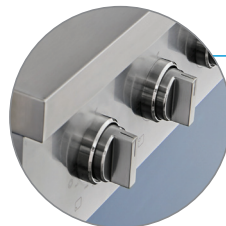

Porcelain Enameled Surfaces

The easy-to-clean black enameled cooking surface is scratch and stain resistant.

High Efficiency Burners

High efficiency burner technology requires less gas BTUs to achieve a faster boiling time, resulting in energy and time savings.

Front Control Knobs

Bold, heavy-duty metal control knobs and bezels for a professional, commercial-quality appliances look and 20%* more cook space.

800 Series

RGM8058UC

30" 4-Burner Stainless Steel

- 18K BTU Dual Flame Ring Power Burner
- Two 12K BTU Large Burners
- 5K BTU OptiSim® Simmer Burner – Reduces to 900 BTUs
- Continuous Surface with Heavy-Duty Dishwasher Safe Grates
- LP Conversion Kit Included

RGM8658UC

36" 6-Burner Stainless Steel

- Two 18K BTU Dual Flame Ring Power Burner
- Three 12K BTU Large Burners
- 5K BTU OptiSim® Simmer Burner – Reduces to 900 BTUs
- Continuous Surface with Heavy-Duty Dishwasher Safe Grates
- LP Conversion Kit Included
