

SE2

Free up desk space and enjoy superior sound quality with the SE2 Elevated Speaker Stand. With a height of 3.8", the SE2 boosts your speakers up and off the surface of your desk so that they're better aligned with your ears to give you a flawless on-axis response. Its cantilevered and angled platform is designed to absorb resonance and deliver a pure sound without any reflections from nearby surfaces. 1.5mm of silicone padding provide a strong grip that helps keep your speakers and stand in-place. The SE2 comes with a black, white or pink finish and can hold up to 7.1 lbs.

TECHNICAL ILLUSTRATIONS

REDUCED RESONANCE. STELLAR SOUND QUALITY

The SE2's cantilevered design and 1.5mm silicone speaker dampening absorbs resonance from the speaker cabinet to produce a clean, distortion-free sound.

ACCURATE, ON-AXIS OUTPUT

Elevate and align your speakers with your ears so that you can enjoy flawless on-axis sound and prevent reflection from nearby surfaces.

SAFE AND SECURE

1.5mm of silicone speaker dampening offer a high grip to keep your speakers and stand firmly in-place.

RECLAIM YOUR WORKSPACE

SE2's clean, clutter-free design is built so that you can place extra items directly below the speakers, maximizing the utility of your desk surface and using the space normally taken up by traditional speakers.

MINIMALIST DESIGN

Who says functional can't be beautiful? The SE2 stand boasts a minimal design that matches the style and colour of other Kanto accessories for a clean, consistent look. Available in black, white and pink.
