GE® ENERGY STAR® 28.6 Cu. Ft. French-Door Ice & Water Refrigerator

Features and Benefits

- Slate finish Express your unique style and harmonize your kitchen space with this sophisticated, rich and amazingly versatile matte metallic finish
- Dual icemaker An icemaker in both compartments gives you more ice whenever you need it
- TwinChill™ evaporators Separate climates in the fresh food and freezer sections help maintain temperature and humidity levels to keep foods fresh
- Advanced filtration system GE's exclusive filtration system removes trace pharmaceuticals from water and ice
- Showcase LED lighting Positioned throughout the interior and under fresh food doors to spotlight foods inside the refrigerator and in the freezer
- Space-saving icemaker Located on the door with integrated bins to create more usable storage space
- QuickSpace[™] shelf Functions as a normal full-sized shelf when needed and easily slides down for instant storage flexibility
- Adjustable spillproof glass shelves Hold up to 12 oz. of spilled liquids for easy cleanup and adjust to provide additional food-storage options
- Model GFE29HMDES Slate

As an ENERGY STAR® partner, GE has determined that this product meets the ENERGY STAR guidelines for energy efficiency.
