Stay one step ahead in the kitchen with a built-in sous chef. Cooking Camera with Doneness Detection recognizes supported foods in seconds and automatically cooks to your desired doneness. Live Look-In offers a view of food without opening the door and lets you check on food from anywhere when connected*. Assisted Cooking Modes let you select suggested cook times and temperatures on an easy-to-navigate touchscreen.

*Wi-Fi & App required. Features subject to change. For details and privacy info, visit KitchenAid.com/connect (U.S.) or KitchenAid.ca/connect (Canada).
