

MDD3050TE/S/T

FEATURES

Distributes heat evenly with no hot or cold spots, allowing for oven-like operation

Utilizes 900 watts of power to cook meals with delicious results

Select from 10 power levels, a warming mode, and sensor cooking

Rely on quick-start controls for tasks like melting, softening, defrosting, and making popcorn

Let the microwave do the cooking with intuitive Gourmet Mode settings

The 8" full-color LCD touchscreen has an interface and aesthetics similar to other Wolf appliances for a cohesive user experience

The interface is easily customizable and intuitive, with on-screen messaging to guide you through the various modes and features

Soft-open and -close door provides the luxury feel Wolf is known for

The elegant, modern design, drop-down door, and built-in style coordinate seamlessly with a full suite of similarly styled Sub-Zero, Wolf, and Cove appliances
