- SA-15R-30
- SIG-1.5R-30

Backboxes are 3/8-inch MDF construction.

NOTE: Complete installation instructions included with optional backbox.

PCS-80R

IMPORTANT: The PCS-80R Subwoofer is designed for use with a Paradigm® Subwoofer Amplifier only (sold sep.). Use with any other brand of amplifier will void the Paradigm® subwoofer warranty. See Dealer for more information.

Plastic cover prevents dust and dirt from entering the box. Do not remove until ready to install subwoofer.

Paradigm®
