Installation du couvre-charnière et du couvercle de balconnet de porte

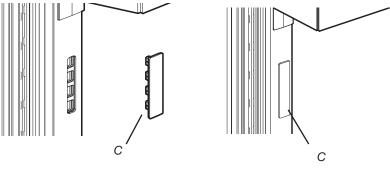

1. Retirer le support d'expédition jaune après avoir déballé l'appareil.

2. Fixer le couvre-charnière inférieur après avoir retiré le support d'expédition jaune. Le couvre-charnière est inclus dans la trousse de l'appareil.

3. Si aucun balconnet de porte n'est utilisé, couvrir les fentes des deux côtés avec les deux couvercles fournis dans la trousse.

C. Couvercles
