- The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. A smooth-flow blower wheel and high flow filters ensure quiet operation.
- 300 CFM blower operates at 1.2 sones at normal speed.
- Bright, two-level LED modules—supported by a 3-year warranty—illuminate evenly and are tested in cooking environments to ensure long life without dimming. ENERGY STAR® certification saves energy expense.
- Tap-touch, three-speed capacitive control features a smooth, easy-to-clean surface.
- Dishwasher-safe, deluxe micro-mesh filters provide highly efficient grease removal and patterned cover provides a decorative complement to the hood design. The filter clean reminder ensures they will always maintain a high level of capture.
- EZ1 brackets make it easy for single-person installation in less than half the time of traditional methods.
- ADA compliant, remote operation is possible using a standard UL approved wall switch. Requires ADA Adapter Kit. Available in June.
- Non-duct capable with use of charcoal filters, sold separately. Hidden louvers on top of hood exhaust away from cabinetry.

**Captur™**

For faster smoke and odor removal.
