EXCEPTIONAL FEATURES

Industry exclusive, 300-series stainless steel interior and exterior. Stainless steel interior is antibacterial, hygienic, easy to clean, and does not retain food odors.

All stainless steel, beautifully crafted proud hinges pass True's rigorous one million door opening test.

Beautifully crafted solid stainless steel doors with 120° stay-open feature and ergonomically designed, robust, tubular handles.

Commercially inspired lift-up grill on top of the unit with toe kick that complements the look of True's undercounter units.

Ramp-up, showcase interior LED lighting provides amazing illumination throughout.

Intuitive True Precision® Control and readout provides digital accuracy and easy operation.

Dual evaporator and dual compressor enables dedicated cooling systems for each zone.

Balanced, forced-air refrigeration system enables proper airflow and even temperature throughout to keep food fresh.
