

Carrie Counter Table Walnut

Pull up—this table knows how to host. Carrie keeps the room feeling open, with a softly curved edge that takes the hard lines out of counter-height seating. Made from solid walnut, the surface shows off natural grain while staying easygoing for everyday meals, prep, and catch-ups. The streamlined silhouette plays nicely with modern, classic, and in-between spaces. Its generous top gives you room without crowding. Consider it your new favorite landing pad, minus the fuss.
