MOE'S

Andi Swivel Chair Berry

Curved high back, rounded arms, chenille all over—set to swivel. Modern meets transitional in the Andi, a soft, enveloping shape that supports you through a long sit or a slow morning. Rich berry chenille covers a foam-and-fiber seat on a solid poplar and plywood frame, turning on a smooth 360-degree swivel for easy, everyday moves. Style it solo, or pair it with the Andi ottoman.

- Curved and Cradling: A curved high back and rounded arms shape a soft, enveloping silhouette where modern lines meet transitional comfort in the living room.
- Soft Chenille: Berry chenille wraps the seat and back in a soft, plush texture and a rich, saturated tone that adds depth to a room.
- Poplar and Plywood Frame: A solid poplar and plywood frame supports the high back and seat, holding the curved form steady through everyday lounging.
- Swivels and Pairs: A 360-degree swivel turns smoothly underfoot, and the Andi stands on its own or pairs with the matching Andi ottoman.
