

SRS-ZR7

Hi-Res Wireless Speaker with Bluetooth®/Wi-Fi®

Set the tone at home with superior Hi-Res Audio compatibility and multi-room streaming with the wireless Bluetooth® speaker that connects easily and offers amazing versatility.¹ Control everything with one app and wirelessly sync multiple speakers for multi-room, rich surround sound or powerful rear stereo sound. Even connect it directly to your TV with HDMI®⁵.

Features

Hear it in Hi-Res Audio

Give the music you love the quality it deserves with High-Resolution Audio support. Like going from standard definition to HD video, High-Resolution Audio tracks are far higher quality than MP3s and even CDs – letting you hear every breath, drumbeat and note. Its music just like the artist intended.

Easy streaming options with Wi-Fi, Bluetooth® and Google™ Cast

Easily stream music in the way that works for you. The ZR7 has many connectivity options, including Wi-Fi, Bluetooth®¹ and Google™ Cast.²

Enjoy music throughout your home with Sony multiroom

Let the same great song follow you around the house with multi-room listening, controlled via the SongPal app.⁴ Use SongPal Link to group selected Sony soundbars and speakers together, then stream music from different music services, a smartphone, a PC, or your DLNA network in multiple rooms throughout your home.

Easily transform ZR7 wireless speakers into wireless surround speakers with compatible Sony Sound Bars

Pair two ZR7 speakers to a compatible Sony sound bar and enjoy a true wireless surround sound experience for all your movies and TV shows.

Access and control your music with the SongPal app

Download SongPal for your smartphone or tablet and take control of your music collection.⁴ Simply connect over Bluetooth®¹ or Wi-Fi and you'll have seamless access to all your favorite tracks, whether they're stored on your PC, server, or favorite online music service. The app can also be used to customize sound settings to ensure great, balanced audio and control multi-room listening.

Connect two ZR7 speakers to your TV via HDMI⁵ (ARC) and enjoy your movies and TV shows with powerful, stereo sound.

Connect one ZR7 to a TV using the HDMI⁵ (ARC) connection. Then wirelessly add a second ZR7 speaker and enjoy your movies and TV shows with powerful, stereo sound.

Hi-Res Audio playback via USB

Connect a USB device to the USB port to enjoy High-Resolution Audio playback.³ Both DSD and 24 bit/192 kHz high bit rate audio codecs are supported.
