Shipping FDX-OS
Method:
Materials: Mango Solids
Shape: Hexagonal
Product The color is dark brown
Features: Exceptionally built using 100 percent Mango Solids

Constructed entirely of solid mango wood, this table features a hollow core and a lacquer finish for protection

Shape is hexagonal

Product Dimensions: 15"W x 15"D x 18.5"H, Item Weight: 9 lbs

Table requires no assembly

Mango wood is an eco-friendly and sustainable material sourced from tree's that no longer bear fruit

Mango wood has high variations because of spalting that is commonly present. Colors and cuttings can range from golden brown to yellow to pink to black. Each piece is unique which is part of the charm and beauty of this hardwood

Weight Capacity: 150 lbs

Ideal for use as an accent table, side table or end table in a living room, office, or bedroom

To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
