

Halston Dining Armchair

Heirloom Black • 229431-002

Overview

Bring some Brazilian influence to the table. With its sculpted form and inflated scale, brown ash frames black top-grain leather with dramatic tufting for a midcentury twist. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, our heirloom leather covering is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
