

Discover the epitome of sophistication and functionality with our meticulously crafted Laurie II Storage Cabinet. Highlighting an Aged White finish on select hardwoods and veneers, this piece exudes timeless elegance. Two wood-framed glass inset doors, complemented by upper wood-framed glass side panels, present a tasteful display for your treasured possessions. With two adjustable shelves and three black drawers concealed behind the doors, organizing your belongings has never been easier. Engineered with floor levelers for optimal stability and adorned with iron-finished knob pulls, this cabinet seamlessly combines style and practicality, making it a perfect addition to elevate your living space.

Transform this storage cabinet into the perfect place to house wine glasses and bottles with the **Laurie II Storage Cabinet Wine Kit (680776KIT)**. This wine kit includes a hanging metal stemware rack with a dark nickel metal finish that can be secured to the underside of the top of the cabinet, keeping stemware handy and holding up to 18 large wine glasses. This kit also allows convenient storage for wine bottles in the cabinet drawers with three wine bottle supports that can hold up to 10 bottles of wine each for a total of 30 wine bottles. These wine bottle supports have an Aged White finish to blend seamlessly with the cabinet drawers.
