Finish: Natural

Materials: Rope/Wood/Glass

Availability: as of 9/17/2021 4:01:06 AM

Item Weight: 40 lb

Wrapped in natural rope, the Macati Pedestal is made of wood and topped with a disc of glass. The artistry required to create such a cohesive flow of rope on a piece such as this takes our artisans a great deal of time to master. The rope pedestal has an implied base when the direction of the rope goes from horizontal to vertical.
