

STEEL

1-1/4" STEEL

# Standard Frames

Our fundamental bed frames with 1¼" angle iron side rails. Constructed of high-carbon steel and strength tested, each of our frames is made to last a lifetime. Our Standard Frames come in a range of value models to fit Twin, Full, Queen, California King, and King size mattresses and box springs. Full, Queen, California King, and King sizes are available with additional center support.
