Pulaski Furniture Website

www.pulaskifurniture.com

SKU: P349100

Availability: In Stock

Type: Double Dressers

Category: Bedroom

Collection: Higgins Street

Number of Drawers: 8

Style: Traditional

Finish: Medium Wood

Brand: PFC

Product Description: Our Higgins Street 8 Drawer Dresser harmonizes classic charm with modern simplicity, creating a classic-meets-contemporary vibe. Eight spacious drawers are accented with antique pewter hardware and offer plenty of storage for clothing, linen, and other bedroom essentials. Rubberwood and flat-cut hickory veneers create a visually dynamic surface, marrying durability and unique character. The rounded corners and bun feet soften the silhouette, while the medium-toned finish showcases a warm and inviting aesthetic, contributing to the overall cohesive and timeless design.

Collection Features: The Higgins Street collection gathers elements of traditional English and French designs, casualized for the modern consumer by its updated finishes and functional scaling. Capitalizing on the familiarity and interest of these rich histories, this collection, both suited and individual, is a compilation of two distinct but complementary lifestyles.

Status: Active

Finish: The Woodstone finish creates a sense of tranquility and adds character to the overall design

Features: An eclectic mix of antique French and English styles with modern design elements offer a curated look
Eight drawers are thoughtfully arranged to offer ample storage space for your belongings
Rounded edges and soft curves impart a feminine and graceful feel
Aged pewter finish hardware and round bun feet add a touch of traditional charm and a sense of stability

Material: Hickory Veneers

Drawer Construction: French and English Dovetail Drawer Construction

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat

and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Width: 72" (182.9 cm)

Depth: 21" (53.3 cm)

Height: 40" (101.6 cm)

Weight: 266.68 lb (120 kg)
